Friends Make A Difference

*Friends make such a difference in our lives;
They're always first to show how much they care,
And moments that shine brightest in our memories
Are moments when our special friends are there.*

*Friends make such a difference in our lives;
They warm our not-so-sunny days with cheer
By reaching out with gentle understanding
And saying just the things we need to hear.*

*Friends make such a difference in our lives;
They bring us much happiness and anxieties,
From the great times and companionships
But most of all, they fill our lives with memories.*

*marsha - a real
sweet person who
always a smile
on her face to cheer
over people's day!
take care & keep in
touch! friends -

Memories are a summary of the past. This 1983-1984 yearbook is a collection of that summary. Many special events occur throughout a school year. This collection of memories includes all those special occasions and all of the happiness and joy that followed along. Now begin the summary and begin remembering.

1. The senior class of '84 shouts and yells as their spirit shines through.
2. Anne Kuenster and Leonard Young display friendship.
3. Amy Dimsen is all ready to help out her friends.
4. Michele Kruty is caught in action.

Homecoming is a very special occasion that is filled with many very special memories. The 1983 Homecoming left many memories for everyone. The senior class of "84" acquired their greatest memory when they won the Homecoming events for the fourth year in a row. Even though there were many happy memories there were some that were not so pleasant. The rainy weather and the defeated Chippewas are the happenings that were unpleasant.

1. Student senate president, David Ludwigson did a great job organizing the 1983 Homecoming activities.

2. Julie Ozimac and Jarrod Purseglove participate in Spirit Week.

3. The J.V. and Varsity cheerleaders are all ready to show their spirit while they prepare to ride in the parade.

Due to the participation of everyone the 1983 Homecoming was very successful in bringing out all the spirit that Manistee High school contains. This enthusiasm was created by the student body and the faculty which raised the spirit of everyone. The joy and pride also played a part in the competition for spirit. Participation, enthusiasm, pride and joy lead to the spirit that made our Homecoming a success.

1. Dave "Sam" Miller really shows his spirit as he models his balloon and heart ensemble during Spirit

week on "Shorts Day".

2. Donna Smith fills Debbie Young in with the latest scoop as they both participate in making paper flowers for their winning float.

3. The three joyful faces belong to the class of "84's" past representatives. They are from left to right: Freshman representative, Melva Solia; Sophomore representative, Debbie Oleniczak; and Junior representative Angela Fink.

This year Spirit Week contained a few new events. Even though there were some different events the tradition was still present in blue and gold day and the spirit yell. Some of the new events included shorts day and formal day and class skits. The participation was extremely good for all the events including the out of school activities.

The main purpose of Spirit Week is to serve as the rising action for the climax of Homecoming, which is the Homecoming game. This year the rising spirit contributed to the excitement of the half time activities during the game. All together the spirit was a key factor to making Homecoming a success.

1. Tami Snyder, David Ludwigson, Katy Keleher and Cindy Gustad portray some of the Scooby Doo characters.

2. Dave Palsrok wears his think cap.

3. Members of the frosh powder puff team plan their strategy.

During the 1983 Homecoming Spirit Week the point totals were very close from the day to day events. The overall winner for the 1983 Homecoming events was the senior class of "B4" which made this win their fourth win. With all the spirit that our school has, the 1983 Spirit Week was an event to remember.

- 1 Many fans attended the powder puff games including these watchers.
- 2 Eric Hund is all dressed up with no place to go except school.
- 3 Matt Perkins, the executive, drinks his milk with pride
- 4 What a cute couple, Mac Lippert and Wendy Kasp

The floats for the 1983 Homecoming parade were of high quality and good artistic ability. Every class put a lot of time and effort into the making of their class float. The 1983 Homecoming floats added to the success of the week.

1. The Senior float portrays Winnie the Pooh who is "Sweet on a Victory" and says "Oh Pooh on the Huskies".

2. "Bomb the Huskies" Snoopy declares! as he sits on the Freshmen's float.

3. Hagar sits proudly on the Jr. float.

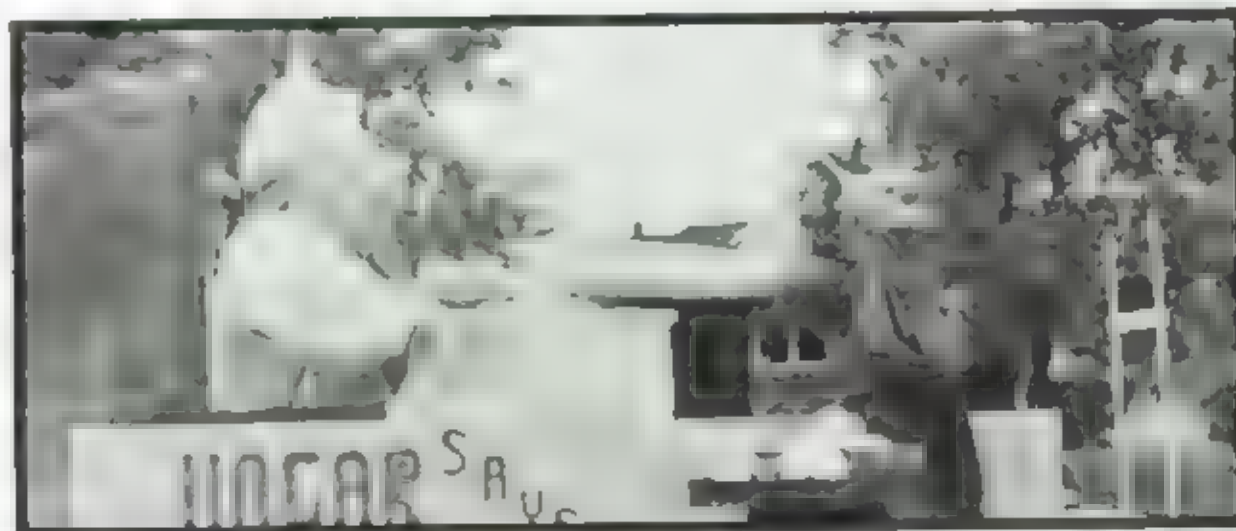

4. The Sophomore reps. lead their "Rubik's Cube" float through the parade.

A Parade Of Floats

The mighty Chippewas' varsity football team and the Manistee marching Sr. High band were in action during the 1983 Homecoming. However, the rain put a damper on the outcome of the game. The game went into overtime and we were defeated, 19-18. The band, however, did a very nice job in the rain.

1. No, he's not camera shy, it's just a good picture.

2. Todd Minster no. 26 and Dave Vonkman no. 85 were in fast action to get that tackle

3. Ricardo Carui interprets the official's advice.

4. Stacey Frechette gives his all during half time.

5. Fast action during one of the powder puff games.

Chippewas In Motion

Friday finally arrived, the tension was at an all-time high, the question of suspense was who will become the 1983 Homecoming queen. The suspense grew as the day continued. It continued through the parade in which the rain held out. The rain started and so did the game. The rain continued as the half time activities began. The underclassmen reps came down the field with the queen candidates following. Amy Kalanowski, the past queen, gave her farewell speech. Mr. Riemersma then came up to the microphone and announced Katie Peterson the 1983 Homecoming queen. 1. Sr. rep. Tami Snyder, escort Mike Fenczak. 2. Katie receives her crown. 3. Sr. rep. Monica Brandt, escort Steve Lesley. 4. Jr. rep. Nanette Marsh, escort Jim Wilkosz. 5. Soph. rep. Kari Snyder, escort Jeff Palzrok. 6. Fresh. rep. Amy Pierson, escort Dave Palzrok. (Queen escort Sean Taylor).

A Week Of "Crazy" Memories

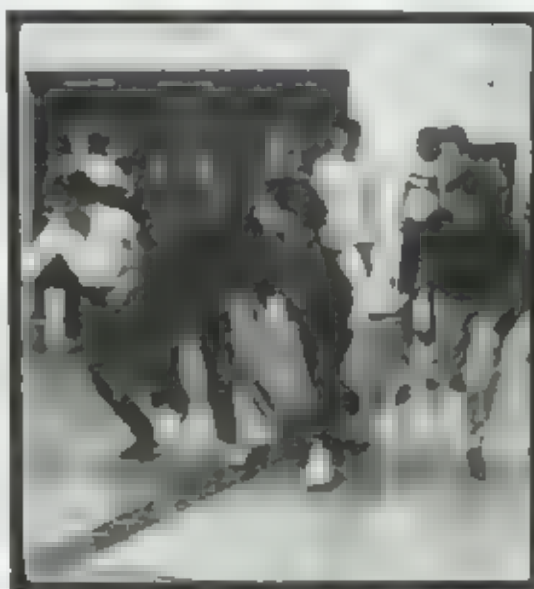

The week of February 13th through the 17th sure was crazy. It all began with the halls being decorated. The daily events were the Crazy Dress-Up Days which were as follows: C for crazy, R for red, A for army, Z for zebra or stripes, and Y for yellow day (blue & gold). Many students and teachers participated, but it was the Freshmen who turned out to be really crazy (with a lot of spirit, of course).

Due to the lack of snow, the sporting events were changed. The new events included floor hockey, a blanket pull, the human spellout and the food eating race. Bruised ankles, ripped blankets, and spilled water were just some of the crazy results. The final event was the banner competition which brought out the artistic ability at MHS. In the end, the final result left the Freshmen to crown their king, Jeff Nielsen.

Pic. 1. A bunch of crazy Seniors, l. to r., Wendy Kaap, Glenn Ruscoe, Jim Schmierer, David Miller and Julie Gajewski. Pic. 2. Frosh girls show their muscles. Pic. 3. Jr. Bob Robke chokes down his cow's tongue sandwich. Pic. 4. Student Senate members Todd Minster, David Ludwigson and Eric Sovereign demonstrates their acting ability.

In the past four years the Class of "84" collected many memories to always look back upon. The spirit that this class had first began in 1980 when they were Freshmen. It continued to grow as each year went by. Our spirit also grew as we won the Homecoming spirit competition four years in a row. During our Sophomore year we had the experience of ordering our class rings.

Our Junior year was one of the most exciting years. Within that time we were able to experience putting on the Junior-Senior prom which was very successful. It was also the first year we won Winter Carnival. The final finale was our Senior year. All our hopes and dreams have been answered by taking the final and last step into our high school days. Now life has just begun.

"Sherrie" Is Loved By All

In 1980 Sherrie Sundin made a commitment to the class of '84. She decided to take the position of class advisor. Throughout these past four years she supported "her" class 100% and gave everything her all. If anything was to be done Sherrie would always be there. With all her help the class of "84" had many success-

ful memories to always look back to. Besides the fact that the senior class was outstanding in their winning record for Homecoming Events, they also accomplished and succeeded in many other activities.

For all that she's done the class of '84 sends out a very special THANK YOU to Sherrie Sundin.

The Days We Don't Forget Freshmen Class

*Mrs. Hornkohl, Freshmen Class
Advisor*

The Freshmen Class has the following goals: 1. To be the best class ever.

2. To take over the winning tradition of the Seniors.

3. To have a successful four years in school.

We have sponsored a class dance and are hoping to raise more funds. The great class of "87" took second place overall in the Homecoming Activities this year. Our goal for next year is to be #1.

Class Officers from left to right: Eric Gustad, Treasurer; Julianna Prickett, Secretary; Eric Sovereign, Vice President; Ed Petzak, President.

J.V. Cheerleaders Show Enthusiasm

J.V. began practicing in August a couple of weeks before school started. Three of the girls had participated in freshmen cheerleading the year before and others were familiar with various chants and cheers which helped us get started. Enthusiasm, dedication and some help from the Varsity squad made for a great football and girls' basketball season. The squad enjoyed participating in the Homecoming events, even though it poured throughout the game. That was nothing new for the girls as two of the J.V. games were played in a downpour.

They deserve a lot of credit for maintaining their spirit and making the best of some miserable weather.

Varsity Works It Out

Practice begins as summer starts. It continues until the last second ticks off the clock for boys' basketball season. Varsity adds to their skills by attending United States Cheerleading Camp. This brings out their hidden talents, and gives new ideas. These ideas are brought back to try to inspire school spirit.

Tennis Team Showed Perfection

This year the Girls' Tennis Team had a very good year by rounding out the year with 5 wins and 6 losses. The girls did a good job by catching some pretty important matches. At the end of the season the tennis team had an awards banquet where they selected outstanding members. The following were awarded: Cindy Keleher and Kris Kalcher, Co-Captains, Wendy Kaap, Most Improved Player, Kris Kalcher, Most Valuable Player, Best Singles Record, Tammy Rhodea 7-5, Best Doubles Record, Jill Faher 7-5.

Chips Tee Off To A Good Season

The golf team had a very successful season during 1983. In duals the team had a 10-4 record. They came in 5th out of 17 for the regional competition. There were a few outstanding members on the team this year even though all of them did a good job. Kirt Klingenberg was one of the top 5 in their conference meet which deserved a special congratulations. John Kuenzli, and David Ludwigson were the two 4 yr. golf members.

Riot Squad

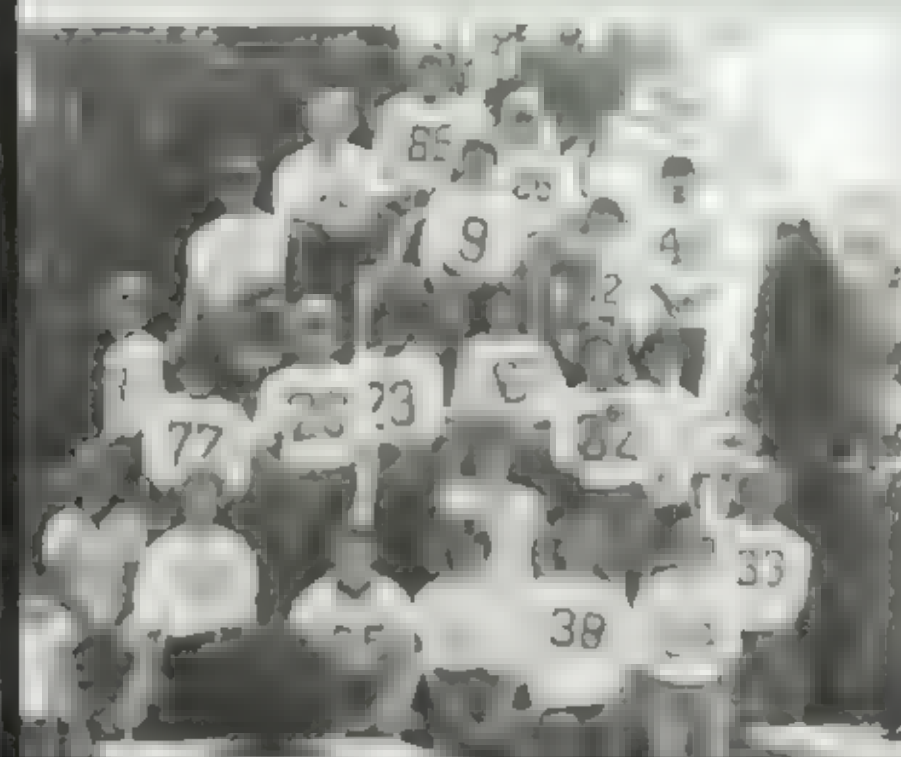

This year's Freshmen football squad did not finish with a winning record, but did finish with a win, as well as a winning attitude, by defeating Benzie Central in their last game of the season, 34-8. After an 0-4 start the Mini-Chips came on strong to finish 2-1-1 after season.

The defense, which came to be known as the "Riot Squad", turned in solid performances, game after game. Mike Dittman lead the team in tackles with 115 followed by Stacey Pefley (81), Mark Pefley (61), Mike Owens (57) and Scott Schemling (56). Stacey Pefley lead the team with 5 interceptions while Mike Owens

and Jerry Henkle had 8 Quarterback sacks each.

Offensively the Chips were lead by Mike Owens with 72 yards rushing and Stacey Pefley, 250 yards. Owens also lead the team in touchdowns and points scored while Stacey Pefley became the only back to rush for 100 yards, doing it in the season finale. This year's team was coached by Marshall Evans and Paul Golembiewski.

J.V. Gave It Their All

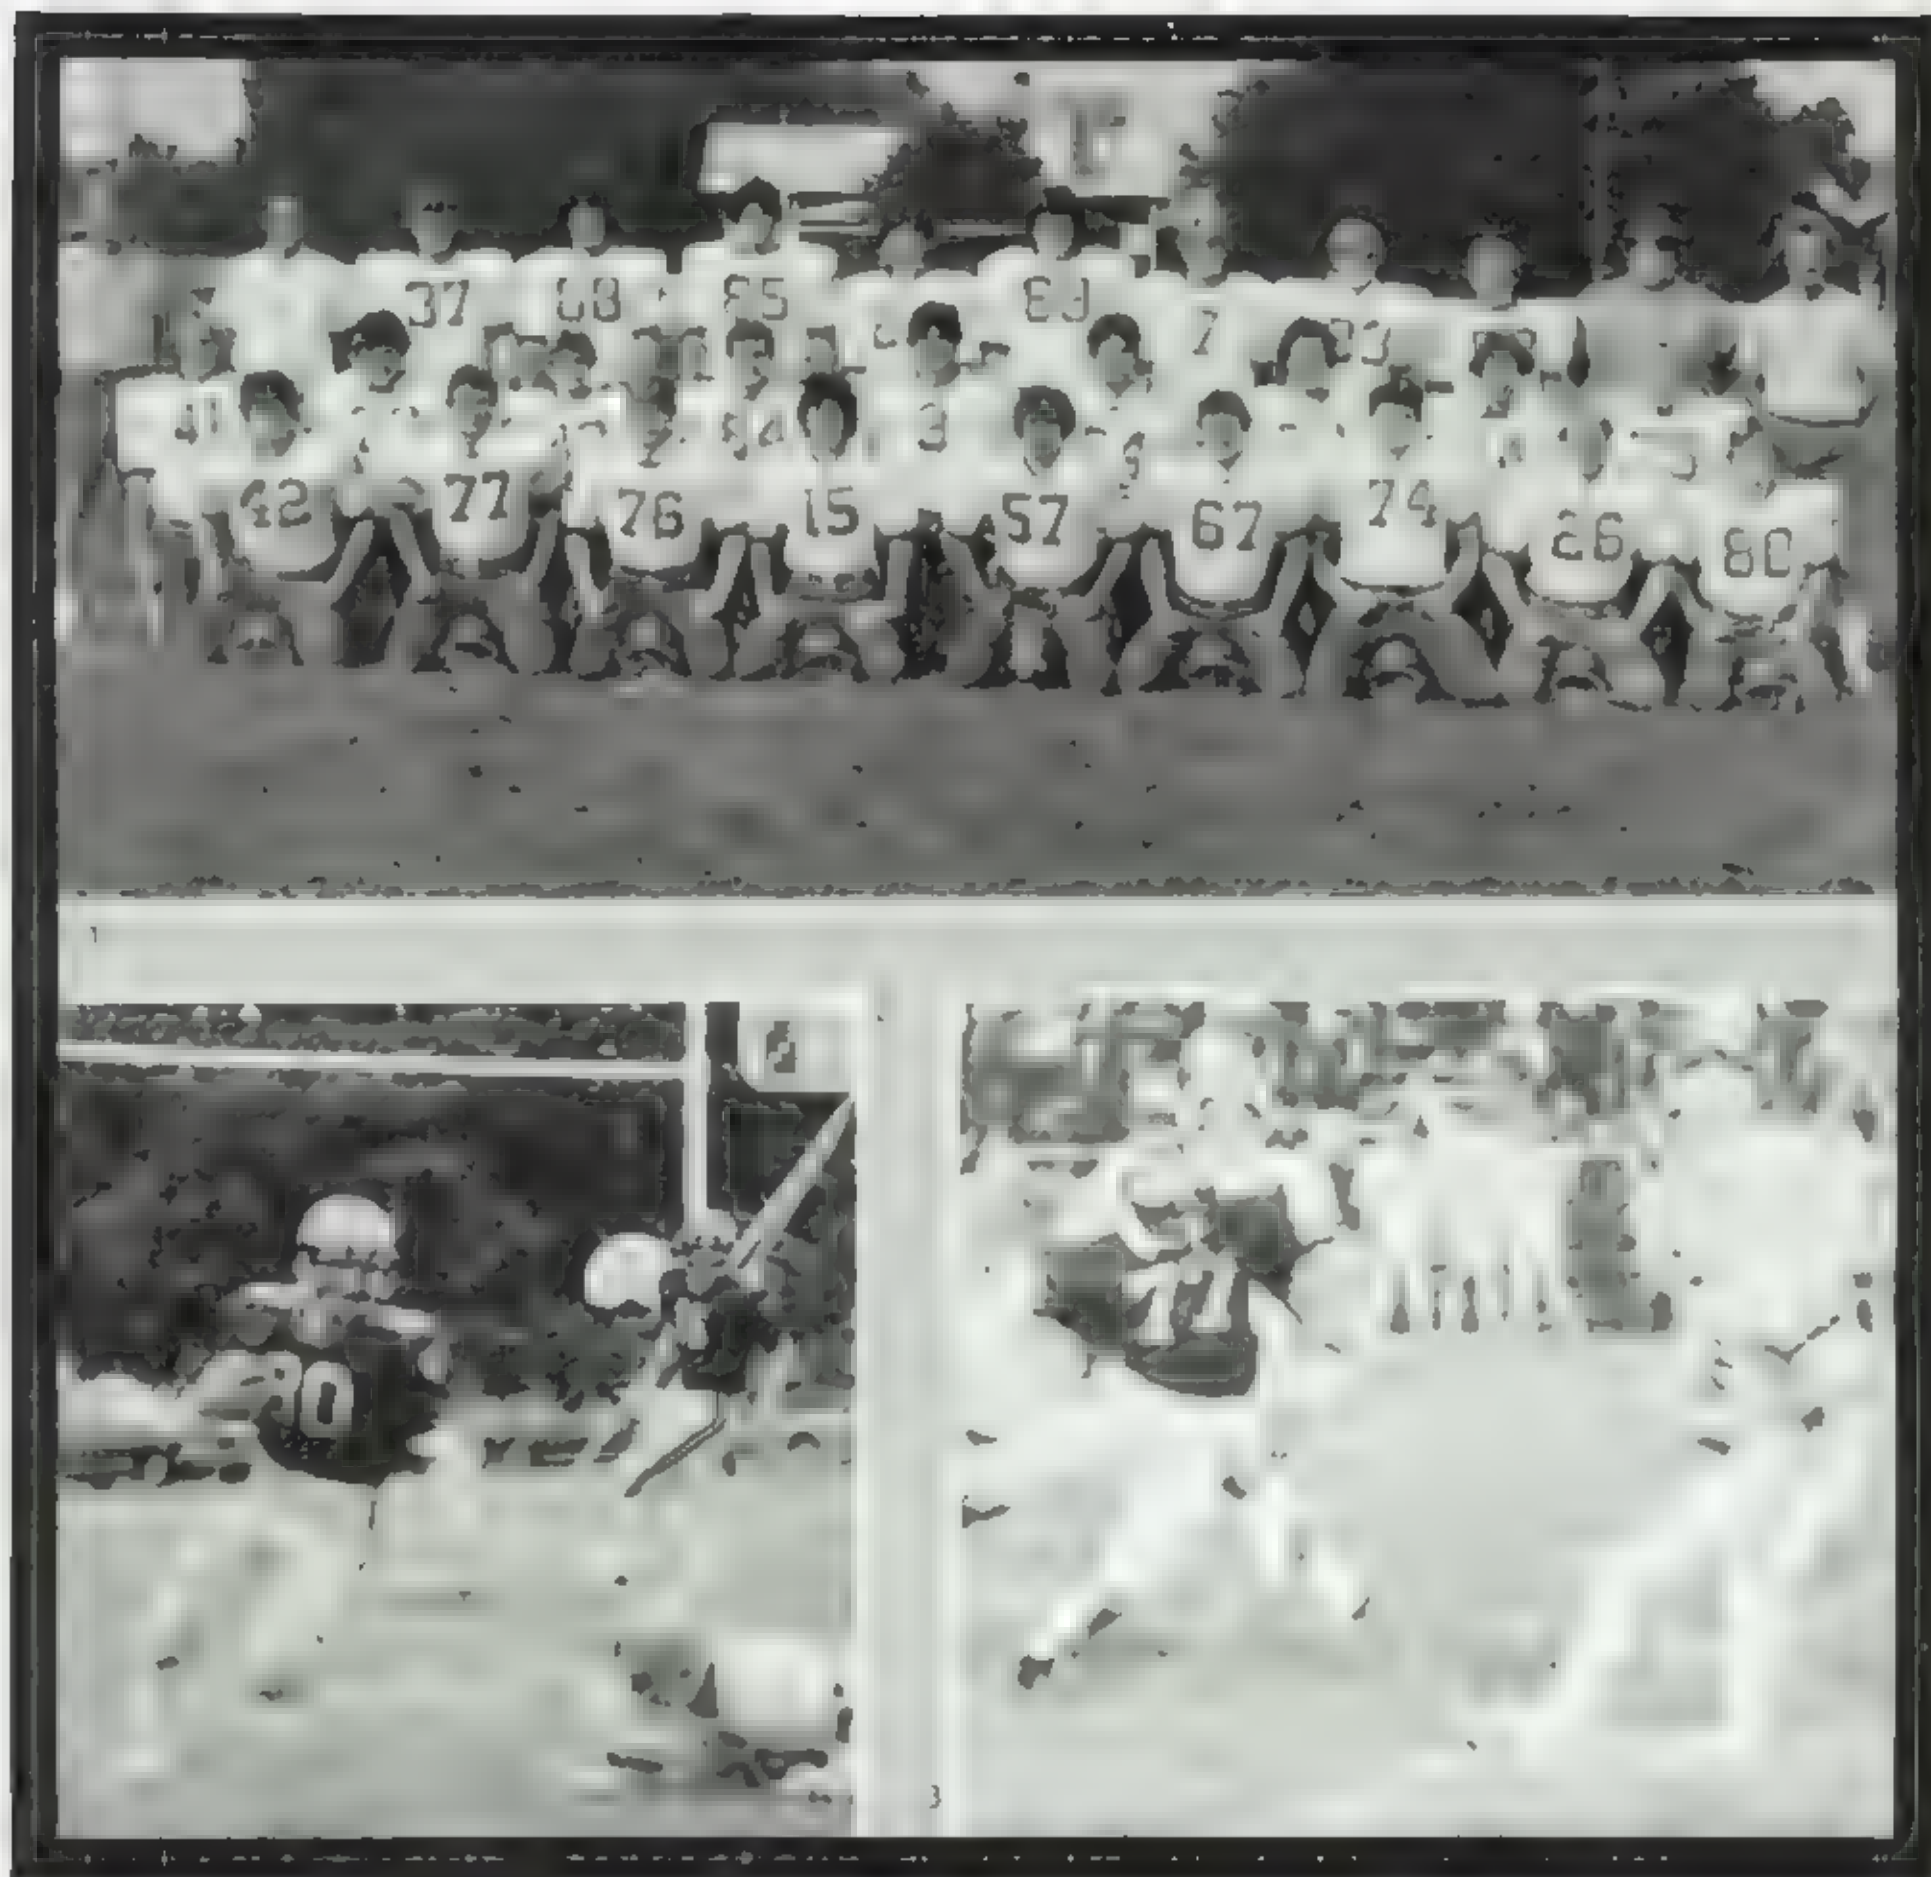

The 1983 Manistee J.V. football team finished the season with a 1-8 record. The Mighty Manistee Fighting Chippewas were out to win in their own special way, by learning the fundamentals of football. The Manistee J.V.'s put their hearts into it all. The M.V.P. of the J.V. squad was Paul Reiffers. The team's Coaches were Don Wagberg and Jeff Smogoleski.

Fighting Chippewas

In spite of injuries and illness the Manistee Fighting Chippewas football team accounted well for themselves during the 1983 football season.

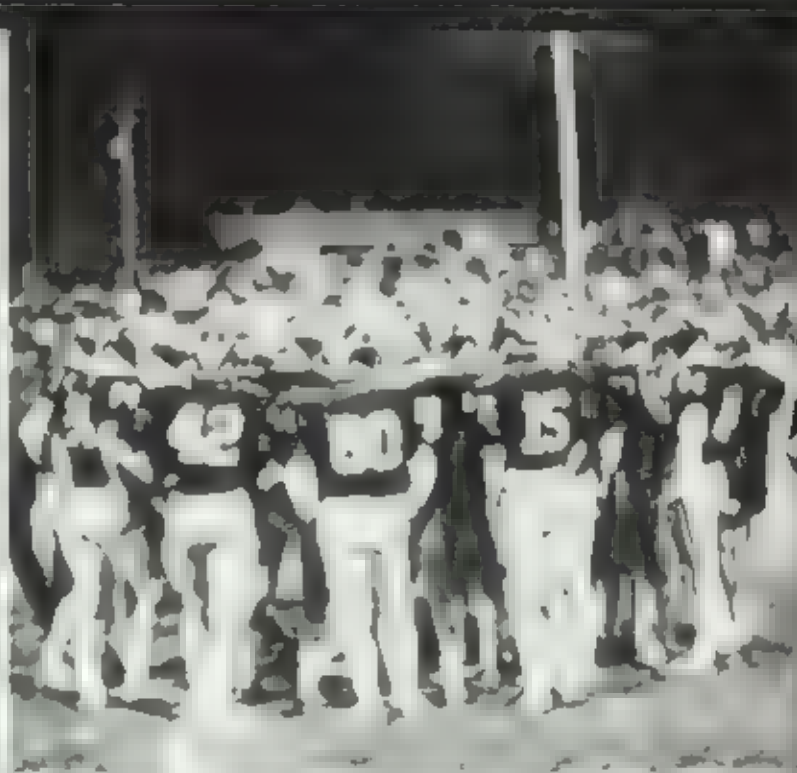

Some of the highlights for the season included a big victory over Fruitport in the opening game. Then in the second game of the year Manistee beat arch rival, Ludington, 13-11 for the sixth straight year.

The big win of the season was against perennial North Central Conference Champs Big Rapids, 19-14. The last victory was a slugfest at Reed City, 29-20.

“Awesome” Freshman

The 1983 season for the “Awesome” Freshmen girls’ basketball team proves to be one not soon to be forgotten. Pride, sportsmanship and effort seen throughout the season was indicative of the caliber of young athletes on the team. The managers of the team this year were Becky and Lisa Hornkhol, Amy Horvat and Bobbi Schultz. The Coach for the 1983 Freshmen was Miss B.

J.V. Girls Are Impressive

This year's Junior Varsity Basketball team completed its season with an 11-9 record. The Chippewas placed third in the North Central Conference; a fine accomplishment for such a team; half of which was made up of freshmen. The 1983 version of the Junior Chips was a shining example of determination and teamwork, attributes Manistee can be proud of.

Assistant Coaches were Jerry Brown, Barb Bartosiewicz, and Leeann Huffman.

To the left is the determined Coach Munro who was chosen the "1983 Girls' Basketball Coach of the Year", for the state of Michigan. Congratulations Coach Munro!

Hats Off To The Mighty Chips!

The 1983 Chippewas defended their state championship as only true champions can. After the first four games were played, Manistee was ranked #1 in both polls and they stayed there the rest of the season, finishing 20-0 in the regular season.

The Chips gained their 5th straight (8 of the last 9) North Central title, their 8th straight District title, their 4th straight Regional title, and made the final four the third straight season.

The season contained many highs and very few lows. Their meeting and defeating the #1 Class "C" Benzie

Central Team, was certainly a season highlight. The Chips coming from behind for an overtime win over Menominee in the Regional was the favorite of many. The only season low was the ending of their 32 game winning streak as they lost to the eventual state champion, Livonia Ladywood, 49-45 in the semi-finals. The Chips boasted three of the best players in the state, All-American Michele Kruty, 1st team, All-Stater Lynette Munson, and H.M. All-State Annette Martz.

The 1983 season will be well remembered Hats off to the Mighty Manistee Chips!!!!

Michele Kruty — Miss Basketball 1983

On Wednesday, February 1, 1984, Michele "Special K" Kruty was named Miss Basketball for 1983 in the state of Michigan. She had received many honors but never one so great. Michele worked hard as she said. "When I first started playing, I didn't think I'd get very far, I guess you could say it was hard for me to chew gum and walk at the same time." However she kept working and she went right to the top.

Although many athletes have put Manistee on the map ... Michele has put Manistee in bold print. Michele has received many individual awards during her three year varsity career including High School All America, selected #1 Michigan High School player by their scouting services, Conference and area "Player of the Year" honors and all the All-State "Dream Teams."

During Michele's three varsity seasons, she has

helped the team to three NCC titles, three District titles, three Regional titles, their trip to the final four and State Championship in 1982. While helping Manistee to a 75-5 record, Michele was the only player on the court who totally influenced the game from base line to base line. The fun and enjoyment Michele gave Manistee's basketball fans will surely be missed. Congratulations and good luck, Michele!

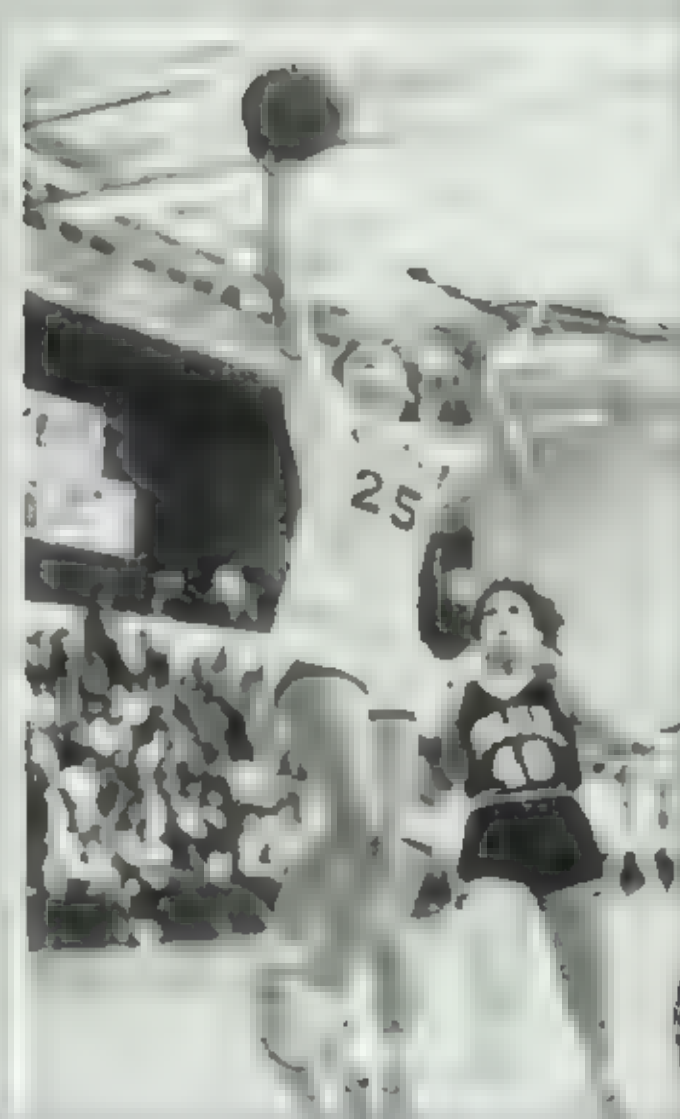

Annette has played four years of basketball for the Chippewas, the last two on varsity being tri-captain and a starter her senior season. Annette was selected Honorable Mention All-State by "The Detroit News", "The Detroit Free Press", and "United Press International". Being academically outstanding, Annette was nominated for All-Academic both in the NCC and in the State.

The NCC also made her an unanimous second team selection as she proved to be a dominate figure in Conference play. During the 1983 Tournament Run, Annette proved to be Miss Consistency as the Chips made a gallant run for the State title, falling short in the State Semi-finals.

Serving as tri-captain of the 1983 championship team, Lynette provided the Chips with constant leadership on and off the court. Lynette was thoroughly recognized for her athletic abilities as she was selected to the elite academic All-State team as well as nominated Academic All-NCC.

The North Central Conference selected Lynette 1st Team as she helped Manistee to a perfect 14-0 NCC record and their fifth straight championship. A varsity player for three years, Lynette contributes greatly to Manistee's 75-5 record as the team has made the final four all three years, winning it all in 1982.

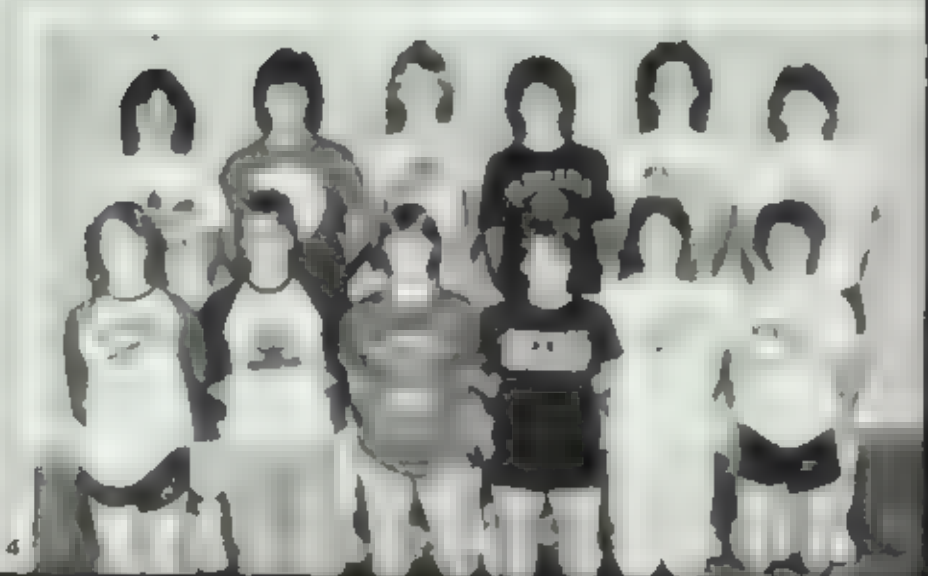

Congratulations Girls!!

A New Look For The Spikers

The '84 season brought a whole new look for the Manistee High School Varsity spikers. The girl's varsity volleyball team received new uniforms for the new season which was a noticeable difference.

This season the team relied on individual effort from each player to gain the strength that was needed to win. The team did quite well for the '84 season.

Junior Varsity Revealed Improvement

Manistee's J.V. team improved a great deal during the season. After starting the season at 0-8, they won 3 of the next 4 games and finished the season very competitively losing some very close games. They finished with a season record of 4-16 and a conference record of 3-9.

Mainstee Elks Lodge No. 250 Salute The "Cardiac Kids"

Unique, frustrating, challenging, rewarding, unnerving, disappointing — no one term can describe the "Cardiac Kids" and the '83-'84 Varsity Boys' basketball season at MHS. Of the regular season games, 18 were decided by nine or less points and 11 by four or less.

The Chips made each opponent take notice by challenging them with a combination of tenacious defenses and explosive offenses. The season's statistics lend light to the closeness of the contests. Only 12 total shots separated the Chips and their opponents from the field while the Chips averaged 59 pts. per game to their opponents' 57.5.

Pic. 1. Senior Todd Minster brings the ball down the

The Snow Lovers

Every year there is a certain group of people who cannot wait until the snow begins to fall. These people have gained a certain title, of course it's "skiers." In Manistee High School there are two groups of skiers, they being the boys' and girls' ski teams. During the '84 season the teams accomplished many friendships and team unity. The high point of their season was placing in the conference. Congratulations ski teams.

M.H.S. Band Keeps The Beat

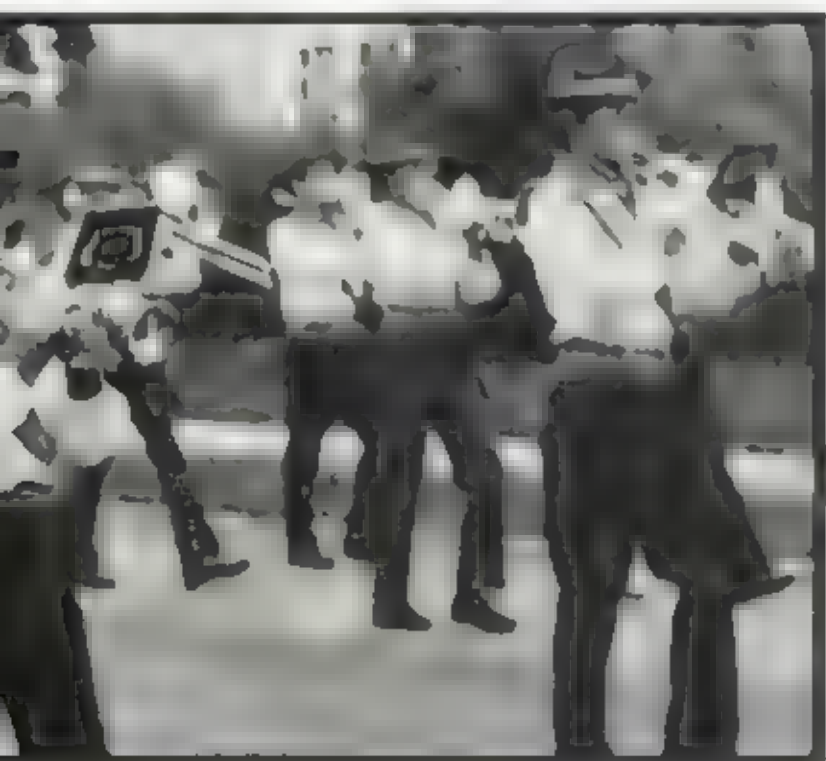

M.H.S. Band has new flags this year, with metallic gold stripes and metallic gold pom-poms. They are planning on having new concert dresses for girls and new royal blue pants for marching. Also, they are going to get new drums and marching keyboards.

M.H.S. Band is looking forward to: 1. Marching Festivals. 2. Concert Festivals. 3. Solo Ensemble. 4. Christmas Concert. 5. Concerto Concert with Guest Soloist. 6. Stu-

dents as Soloists and Conductors with Junior High Band. 7. Band-O-Rama, a large concert with 5-12 grade bands. 8. Parades. 9. Football Games.

Forensics — The Sport Of Speech

The explanation of the activity called forensics could be summed up as "the sport of speech." Students from many areas have talent in their form of speech and forensics is what brings this talent out and into competition.

Universal Friends

To smile is to communicate and it is often found to be a universal language. Throughout the '84 school year we all had a chance to learn this language from four different countries. It's going to be nice to always remember the great smiles of Laura, Christhian, Ricardo and Glenn.

Pic. 1. Laura Vanhapelto was our foreign exchange student from Finland. She stayed with the Joe Novak family.

Pic. 2. Another foreign exchange student was from Brazil, his name being Ricardo Carui. Ricardo lived with the Jay Marsh family.

Pic. 3. Next is Christhian Meneses from Chili who stayed with the Arthur Polan family.

Pic. 4. Glenn Ruscoe was our exchange student from Australia. Glenn was a guest at the Draheim residence.

Good Luck to our universal friends and a thank you for the families who hosted them.

To Whom It May Concern

This is the last page, the final of the '84 "Remember". A great deal of hard work went into the production of this yearbook plus a countless number of hours. Being on the yearbook staff has always been known as just being fun until one enters the class. The truth of hard work then appears, just ask one of the staff members.

Even though we had our problems with deadlines we pulled it out and made them on time. A special thank you to our advisor Mrs. J. Della Pia. She was not only our teacher but also our friend. Thank you again for helping us make it through the year.

Julie A. Gajewski

Yearbook Editor

*P.S. This yearbook was produced
for friends to REMEMBER.*

(Have what 2 year)

Marsha

So a real good
egg & Marsha, you
are a real sweet girl
and don't let anyone tell
you different. I wish you the
best of luck in your future years!
I know success will come easy and
if you work at it! Take care and
keep in touch!

Love ya always -
Ed

Some day when you're looking this little book through
and come to this page and here's written to you
you'll say he was kind & good & true
or he's never consented this writer to do
to show for my pleasure how little he knew
Browne.

Marsha,
Best of everything in life
and may you always be
happy. J. Wygant

Marsha,

To a great friend I've
known for a long time.
Sorry it's sloppy but
I can't write on the bus.
I hope you have fun this
summer, and good luck
in your future years.
Stay outta trouble and
always Be Cool.

Marsha, your future is
bright and happy. Stay
as friendly as you are now
and you will have all the
friends you want. Take care
and be good. Hope to see you
at Kings after
June 1-1984.
